andersons.com/customer-support**Sales and Usage Tax**

Anderson's is required by law to collect sales tax on orders shipped to applicable states. In addition, your purchase is not exempt from sales or use tax merely because it is made over the Internet or by other remote means. States require that a consumer's sales or "Use Tax" be paid annually on the appropriate tax forms. Please be aware that we are required to provide applicable states as well as consumers in those states with an annual statement that will include your name, billing and shipping address, and the total dollar amount of your purchases. For more information, go to andersons.com/customer-support/faq.
